General Information: Community College of Philadelphia and Holy Family University have signed a dual admissions agreement. The agreement matches specific CCP associate degree programs with specific Holy Family bachelor degree programs. It provides a smooth transition to the university for students with an earned associate degree in an area stipulated in the agreement if requirements of the agreement are met. It is possible that a specific transfer GPA may be required.

To enroll in the dual admissions program, students must complete a Holy Family dual admissions form before 45 college credits are earned. This form serves as the application to Holy Family. It is available in the Education Support Services office in room W1-1. Students with at least a 2.8 GPA upon entrance to Holy Family are eligible for scholarships. These scholarships are renewable each year contingent on the maintenance of a minimum GPA. Current scholarship information is available from the Office of Admissions at Holy Family University.

Entry to CCP as of Fall 2014.

CCP – FRESHMAN YEAR (Psychology)

15
___ (3) PSYC 332: Cognitive Processes
___ (3) PSYC 331: Sensation & Perception or
PSYC 336: Theories of Personality

A minimum of 60 credits must be earned at Holy Family to be eligible for recognized commencement honors.

Note: Course sequence is based on admission to Holy Family University in the Fall semester. Admitting in the Spring semester alters the program progression as outlined and will result in extending degree completion beyond the four semester sequence.

+ Two semesters of the same language sequence are needed to fulfill this requirement.

++ Science Elective choices:
Lab courses: BIOL 106 (GSCI 104, lab); BIOL 107(Nat. Sci Elect.,Lab); CHEM 101 (Nat. Sci. Elect.,Lab); CHEM 105 (Nat. Sci. Elect., Lab); CHEM 110 (Nat. Sci. Elect.,Lab); PHYS-105 (Nat. Sci Elect.,Lab)
Non-lab courses: PHYS-108 (Nat Sci Elect., non-lab); EASC 111 (GSCI-108, non-lab)

Holy Family requires two natural science courses in the core; one science MUST include a laboratory.

@ Both PSYC 323 (Quantitative Research) , which will be completed at Community College of Philadelphia as a requirement of the Associate degree in Psychology, and PSYC 324 (Qualitative Research) are required.
PSYC 215 (PSYC 208) is required to be completed at CCP; the course will fulfill the mandated development course (PSYC 206) at Holy Family University; however, the student may not take PSYC 207 as a Psychology elective at Holy Family University.

** The student may select either PSYC 211 (PSYC 346) or PSYC 221 (PSYC 343) to fulfill a major requirement in all tracks. The course not selected at CCP will be fulfilled at Holy Family.

+++ The student may select one course from the following: HIST 101(HIST 203), HIST 102( HIST 204), HIST 103 (HIST 205), to fulfill the CORE: Global Perspective #3 requirement.(American History)

or

The student may select one course from the following: HIST 121 (HIST 109), HIST 122 (HIST 208) to fulfill the CORE: Global Perspective #4 requirement (Global History)

The core requirement not fulfilled at CCP will be fulfilled at Holy Family University.

The three tracks of study in Psychology:

General Psychology Track: This track will appeal to students who wish to major in psychology but have no plans to go to graduate school or to enter the clinical area. This track prepares students with broad-based foundations in the basic areas of psychology, including psychological theory and research methods. The track emphasizes critical thinking, stresses the values inherent in the field of psychology and highlights the application of psychological theory of personal, social and organizational issues.

Mental Health Services Track: This track provides an opportunity for specialization for those students who wish to work in hands-on mental health positions following graduation. Coursework provides an introduction to various populations, including children, those with addictions, groups, and provides a solid foundation in theories of counseling.

Research Track: This track is designed for students wishing to pursue graduate study following completion of the baccalaureate degree. Coursework will prepare the student to apply to either masters or doctoral level programs in psychology and included advanced experience in research methods.

Additional information regarding PSYCHOLOGY concentration:

Successful completion of a comprehensive examination is required.

9/2014 FINAL CCP – Psychology /HF: Psychology-Mental Health Services Track

New General Education Core at Holy Family University as of Fall 2014

Effective for all students who enter CCP as of Fall 2014.
