**CCP-La Salle Dual Admission Students:** Please refer to the Dual Admission application for eligibility requirements. Students interested in applying to La Salle through the Dual Admission program must sign the Dual Admission Application before completing 45 college-level credits. The Dual Admission Agreement includes a Core-to-Core component. Under the Dual Admission agreement, La Salle University’s Core will essentially be fulfilled by the Core at Community College of Philadelphia provided students take **CORE Qualifiers** – one Philosophy course and one Religion course. Students must complete these at La Salle if they have not taken courses at CCP that will fulfill these requirements. See recommendations on the reverse side under “Advising Notes Related to Core Qualifiers” for which specific CCP courses will fulfill these requirements.

**Non-Dual Admission students** who transfer to La Salle University are required to meet the complete La Salle Core which includes two Religion courses and two Philosophy courses. In addition, the La Salle Core includes a Literature, a World or American History and a Fine Arts or Foreign Language course plus a second course in one of these three areas that is at the 200-level or higher. Seek advisement for course options.

*When equivalent courses are worth different credit amounts, the course will be satisfied and the amount of credit earned will transfer.*
