

Workforce Development Program Scholarship Application Guide

Scholarships for Short-term Career Training

The Community College of Philadelphia Foundation and its donors are pleased to offer scholarships to students enrolling in Workforce Development courses.

New to Community College of Philadelphia?

Before you can apply for a scholarship, you will need a student ID number to access our MyCCP portal. Please [complete a pre-scholarship application form](#). After you submit this form, you will receive a welcome email from welcome@ccp.edu with instructions on how to access the MyCCP portal. After you receive the information you need to login to MyCCP, follow the steps below to apply for a scholarship.

Already have a student ID number (J#)?

If you have already taken a class or classes at Community College of Philadelphia, follow the steps below. Please note: You will need your MyCCP username and password to complete the scholarship application.

Step One

View all available [Workforce Development Program Scholarships](#). Click on the **“Apply”** button.

Community College *of* Philadelphia

The screenshot shows the MyCCP portal interface. At the top, there are navigation tabs for 'My Applications' and 'Opportunities', and a user profile icon for 'thuynh@ccp.edu'. The main content area is titled 'Workforce Development Programs Scholarship Application'. Below the title, there is a section for 'Workforce Development Programs Scholarships' with a list of opportunities:

- Career and Advanced Technology Center Scholarship – Made possible with funding from Urban Research Park, this scholarship supports students enrolled in the skilled trades programs offered at the College's Career and Advanced Technology Center.
- Energy Training Scholarship – Made possible through the generosity of a donor, this scholarship supports credit and noncredit students enrolled in programs that prepare students to fill current and future skills gaps and job openings in the energy industry.
- Edward Horn Scholarship Endowment – Made possible through the generosity of a donor, this scholarship supports students enrolled in the College's CNC Precision Machining Technology or other Advanced Manufacturing programs. Students must be pursuing the skills needed for industry certification and have completed at least half of the training.
- Sidewater Scholarship Program – Made possible through the generosity of the Kate and Sam Sidewater Foundation, this scholarship supports students pursuing workforce training programs to enter a new field or increase their skills to advance their career.
- Joan M. Wismer Scholarship for Pharmacy Technician Certification Studies – Made possible through the generosity of the Joan M. Wismer Foundation, this scholarship will support students enrolled in the College's Pharmacy Technician Training Program, which prepares them for certification in the field.
- Workforce and Economic Innovation Scholarship – Made possible through the generosity of the Wanamaker Institute of Industries, this scholarship supports students who are Philadelphia residents, underemployed or unemployed, have financial need, and are enrolled in an approved training program.

Below the list, there are fields for 'Award' (Varies) and 'Deadline'. At the bottom right of the page, there is a yellow 'Apply' button circled in red.

Step Two

Login to your MyCCP account.
